RE:

This is the outline I gave to Lance, Jack and Tom at last Friday's meeting. I gave a copy to Matt yesterday as the objectives and groups identified should be considered vis-a-vis the International IAQ agenda.

As per our discussion, I will schedule a meeting with Tom, Mopsy, Matt, Leo, Clare and the C&B group to review the consultant's program -- with particular emphasis being placed on the IAQ issue. I have discussed this issue with Tom. In Tom's absence, Clare will help coordinate agendas and scheduling with C&B.
